Version 1.5
Prior version

1. Scope of Agreement and Services

1.1 These terms and conditions are made a part of the Agreement between Vendor and RingCentral and governs those statements of work, purchase order, or similar order documents executed by the Parties pursuant to such Agreement (collectively referred to as "SOWs"). The Agreement will not give rise to any obligation on the part of RingCentral to obtain Services from Vendor unless and until one or more SOWs are entered into in accordance with this Section. Unless otherwise agreed to in writing by the Parties, no SOW is effective until signed by an authorized representative of RingCentral. Upon signing and delivery by an authorized representative of RingCentral, each mutually agreed-upon SOW is deemed to be incorporated into, and made a part of, this Agreement. Some terms and conditions may not be applicable to the Services.

1.2 No Minimums. Unless otherwise expressly set forth in an applicable SOW, nothing in this Agreement requires RingCentral to make any minimum level of purchases.

1.3 Procurement by RingCentral Affiliates. RingCentral may procure Services under this Agreement for its own account or on behalf of one or more RingCentral affiliates or subsidiaries (together, "**Affiliates**"). In addition, any RingCentral Affiliate may procure Services directly under this Agreement pursuant to any SOW that satisfies the requirements of this Agreement, except that such SOW will identify such RingCentral Affiliate and all such SOWs must be signed by an authorized representative of such RingCentral Affiliate. Such RingCentral Affiliate will have all rights and obligations under such SOW and Vendor will look solely to and be responsible to such Affiliate in connection with the performance of such SOW.

1.4 Services Generally. Vendor will perform the Services and provide the deliverables specified in each SOW (the "**Deliverables**") in accordance with the specifications, schedules and other provisions set forth in such SOW and this Agreement. If Deliverables contain the delivery of Product(s), "Product(s)" means the goods and materials, identified in the applicable Order Form SOW, or applicable Vendor quote (whether or not specifically reference in the Order

Form, SOW, or applicable Vendor quote), that are sold by Vendor pursuant to this Agreement. In its performance of Services and provision of Deliverables, Vendor will: (a) comply with all technical standards as set forth in the applicable SOW or otherwise established by RingCentral from time to time; (b) attend any meetings and supply any and all reports as described in the applicable SOW; (c) provide Services in a manner that meet or exceed any service levels set forth under the applicable SOW; and (d) provide all Services and Deliverables on time and within budget. If there are ancillary services, functions, responsibilities or tasks not specifically described in a SOW that are required for the proper performance and provisions of the Services under such SOW or that are an inherent part of, or a necessary subpart included in such Services, then such services, functions, responsibilities or tasks are deemed to be implied by and included within the scope of the SOW to the same extent and to the same manner as if specifically described in the SOW, and thus included within the fees and other amounts to be paid under that SOW.

1.5 Title & Risk of Loss. If Product(s) are included, notwithstanding anything contrary in this Agreement, title and risk of loss or damage to the Product(s) shall pass from Vendor to RingCentral upon completion of Services for RingCentral's end Customer, as specified in the applicable Order Form or SOW.

1.6 Changes. Either Party may propose a change to a SOW by submitting a proposed change order in writing to the other Party (each a "Change Order"). On any proposed Change Order submitted to RingCentral by Vendor, Vendor will specify the effect, if any, of the proposed changes upon the price, timing and any other terms and conditions applicable to the affected Services. With respect to any proposed Change Order submitted by RingCentral to Vendor, Vendor will evaluate such proposed Change Order as promptly as practicable and will complete such proposed Change Order by specifying the effect, if any, of the proposed changes upon the price, timing and any other terms and conditions applicable to the affected Services. No Change Order will be effective until executed by an authorized representative of each Party. Upon proper execution and delivery, each such Change Order will be deemed to be incorporated into, and made a part of, the applicable SOW and this Agreement.

2. Compensation.

All Services shall be paid for in accordance with Addendum A (Compensation and Reimbursement) and the applicable SOW. Except as authorized and ordered by and specifically set forth within a fully-executed SOW and as billed to RingCentral in accordance with Addendum A hereto, RingCentral shall not be obligated to compensate Vendor for work performed, items or data delivered, or costs or expenses incurred. In no event shall any fee, expense, or other amount become due and payable by RingCentral unless such amount is billed to RingCentral in accordance with the terms of this Agreement, Addendum A hereto, and the applicable SOW. In no event shall any such amount be due sooner than sixty (60) days after RingCentral's receipt of

an invoice billing such amount that complies with the immediately foregoing sentence unless RingCentral expressly agrees in writing to earlier payment terms. In the event that RingCentral disputes any properly invoiced amount, the due date for payment of such amount shall be extended to ten (10) days after Vendor's demonstration to RingCentral's satisfaction that such amount was incurred under the applicable SOW.

3. Delays.

Vendor shall notify RingCentral in writing immediately and in advance of any delay or anticipated delay in its performance of Services, the reason for and anticipated length of the delay, and an initial proposal for remedying the delay. The Parties may, in their sole discretion, extend the date of performance in a writing signed by both Parties. Vendor shall not be eligible under any circumstances for additional compensation due to any such extension of time unless otherwise agreed to in writing by RingCentral in its sole discretion.

4. Acceptance.

RingCentral is not required to accept or pay for any Services or Deliverables unless and until they conform to all specifications and acceptance criteria required by RingCentral. Acceptance of the Services or any Deliverable shall occur only upon RingCentral providing written acceptance to Vendor; i.e. there shall be no deemed acceptance. Vendor acknowledges that RingCentral's payment in accordance with the SOW does not constitute acceptance. Such acceptance will occur only as stated in this Section 4 or a fully executed SOW.

5. Staffing

5.1 Performance. Subject to Vendor's representations and warranties hereunder, the manner and means by which Vendor chooses to complete the Services are in Vendor's sole control. Vendor shall comply with, or exceed, the requirements in RingCentral Vendor Code of Conduct located at https://www.ringcentral.com/legal/vendor-code-of-conduct.html, as may be updated from time to time. In performing the Services, Vendor shall provide its own equipment, tools and other materials at its own expense and shall determine the appropriate location, place and time for such performance. RingCentral shall notify Vendor if RingCentral believes that the performance or conduct of any person employed, hired, or retained by Vendor to perform under this Agreement is unsatisfactory. Within one business day of receiving RingCentral's notice, Vendor shall take such actions as necessary to implement a plan to remediate and substantially improve the performance or conduct of such person to RingCentral's satisfaction or shall reassign and replace such person. The Vendor represents and warrants that neither the Vendor nor any of its officers, employees or other persons associated with it (i) has been convicted of any offence involving slavery and human trafficking; and (ii) having made reasonable enquiries, to the best of its knowledge, has been or is the subject of any investigation, inquiry or enforcement proceedings by any governmental, administrative or regulatory body regarding any offence or alleged offence of or in connection with slavery and human trafficking. The Vendor shall implement due diligence procedures for its own suppliers, subcontractors and other participants to ensure that there is no slavery or human trafficking in its supply chains.

5.2 Dedicated Personnel. Both Parties agree that continuity of Vendor's personnel assigned to perform the Services is essential for timely completion and quality of the Services. To the extent it is commercially reasonable, those personnel assigned to perform the Services shall continue to do so. In the event that a change of personnel is required, Vendor shall: (a) immediately notify RingCentral of such a change; (b) ensure that a full knowledge transfer occurs between new and incumbent personnel without cost to RingCentral; and (c) ensure that any new personnel have the skills and experience necessary to perform the Services. Notwithstanding the foregoing, if a SOW identifies one or more "Key Personnel" Vendor shall maintain the same Key Personnel throughout the term of the SOW, except for changes due to: (i) RingCentral's request pursuant to Section 5.1 (Performance); or (ii) the resignation or termination of such personnel or other circumstances outside of Vendor's reasonable control.

5.3 Subcontractors. Vendor shall perform the Services only through its employees, except as provided in this Section 5.3. Should there be any requirement for Services to be performed by third-parties ("**Subcontractors**"), Vendor shall first obtain prior written consent from its authorized RingCentral point of contact and ensure that such Subcontractor executes a written agreement with Vendor containing provisions necessary to comply with Sections 6 (Customer CPNI and Customer Communications, 7 (Confidentiality) (Data Security and Customer Data), 8 (Proprietary Rights) and 9 (Representations, Warranties and Conditions) of this Agreement. Vendor shall at all times be responsible for the acts and omissions of Subcontractors and personnel directly or indirectly employed by them and the performance of all the Services, whether performed by Vendor or its Subcontractors. This Agreement shall not give rise to any contractual relationship between RingCentral and a Subcontractor. RingCentral shall not undertake any obligation to pay or to be responsible for the payment of any sums or provision of any amenities to any Subcontractor or its employees or personnel. Vendor shall indemnify RingCentral and hold RingCentral harmless against all losses, damages, expenses and costs incurred or suffered by RingCentral directly or indirectly attributable to any act or omission on the part of any Subcontractor.

5.4 Background Checks. Vendor acknowledges and agrees that background investigations shall be performed by the Vendor, to the extent permitted and conducted in accordance with applicable laws, for all Vendor personnel who: (a) perform Services onsite at RingCentral's or Customer's facility; whether or not escorted; or (b) have or will gain access to any of RingCentral's or Customer's information technology systems. Each background check shall include the following minimum review of all Personnel: identity verification (utilizing Social Security numbers or other state/national ID number) and a criminal history check. Background checks must be performed by a member of the National Association of Professional Background Screeners or a competent industry-recognized Company with the same level of professionalism

within Vendor's jurisdiction. Vendor will obtain written consents from such personnel, on forms provided by or otherwise acceptable to RingCentral, as may be necessary to conduct such investigations. Vendor will provide executed copies of such consents to RingCentral promptly upon RingCentral's request. Vendor is responsible for background check(s) to be completed prior to Vendor personnel starting with RingCentral.

5.5. Vendor and any subcontractor shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, national origin, or disclosing information about compensation. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, veteran status, or disability.

6. Customer CPNI and Customer Communications.

Vendor acknowledges and agrees that notwithstanding anything to the contrary in this Agreement or any SOW, it shall not receive or be granted access to: (a) any data of or relating to the existing, former, or prospective customers of RingCentral or its Affiliates ("**Customers**") that constitutes, or, in RingCentral's sole discretion, might constitute "Customer Proprietary Network Information," as defined under 47 U.S.C. § 222 and regulations and guidance promulgated pursuant thereto ("**Customer CPNI**"); or (b) the communications (or the content thereof), media, or other data sent, received, and/or stored by Customers through the services provided by RingCentral or its affiliates ("**Customer Communications**"). Vendor represents and warrants that it shall not require any Customer CPNI or Customer Communications, or any access thereto, to provide the Services and meet its obligations under this Agreement and the SOWs, and acknowledges and agrees that in no event shall Vendor's inability to receive or access such data excuse Vendor's performance of any of its obligations under this Agreement or any SOW or any delay in performing any such obligations. Vendor represents and warrants that in the event that it receives any Customer CPNI or Customer Communications or access thereto, it shall immediately provide notice to RingCentral of such receipt or access.

7. Confidentiality and Security

7.1 RingCentral Confidential Information. RingCentral may from time to time provide or communicate to Vendor, or Vendor may otherwise receive or gain access to, certain information, including but not limited to personally-identifiable information ("**PII**") or information or data of or related to the existing, former, or prospective customers of RingCentral or its Affiliates ("**Customer Data**"); RingCentral's or its Affiliates' employees, officers, directors, agents, contractors, business partners, or vendors; or RingCentral's or its Affiliates' operations, business plans, legal compliance, strategies, and/or intellectual property (collectively, the "**Information**").

Other than PII and Customer Data, which shall in all events constitute “Information” regardless of the following circumstances, “Information” shall not include information: (a) lawfully developed or received by Vendor free of restriction from another source having the right to so furnish such information; (b) after it has become generally available to the public without breach of this Agreement or violation of any law; or (c) that, at the time of receipt by Vendor, was already known to Vendor, and free of restriction, as evidenced by documentation in Vendor's possession.

7.2 Disclosure, Access, and Use Restrictions. In addition to any other confidentiality or security obligations that apply to Information, Vendor shall hold all Information in strict confidence and shall not disclose or grant or allow access to, or permit the disclosure or granting of access to, any Information, except: (a) to those of its own employees to which such disclosure, granting of access, or permission of disclosure or granting of access is necessary for Vendor to perform its obligations under this Agreement or a SOW; (b) as approved in advance in writing by a duly authorized representative of RingCentral; or (c) as necessary to comply with a valid and binding court order, subpoena, or other legal process; provided that Vendor provides RingCentral with: (i) immediate notice of such process and the potential disclosure; (ii) ample opportunity to object to or otherwise challenge such process or disclosure; and (iii) all information, cooperation, and support necessary to enable RingCentral to object to or otherwise challenge such process or disclosure (a disclosure under this clause (c) shall herein be referred to as a “**Legal Process Disclosure**”). Vendor shall not use the Information (or any data compiled from it), except to perform its obligations under this Agreement or a SOW. In addition to the foregoing, Vendor shall limit all use, access, and disclosure of, and all granting of access to, the Information to that which is necessary to serve the purpose for which the use, access, disclosure, or granting of access is made. Furthermore, before providing Information or access thereto to any party, Vendor shall ensure that such party is bound to restrictions and procedures sufficient to ensure compliance with this Section 7 and Section 6. Vendor shall be fully responsible and liable (including without limitation jointly and severally liable), for any acts or omissions of any party receiving Information or access thereto from, through, by virtue of, or on behalf of Vendor that would, if performed by Vendor itself, violate this Section 7 or Section 6. Vendor agrees, at its sole cost and expense, to undertake all measures (including but not limited to the potential immediate initiation of any court proceedings), to restrain such parties from engaging in any such acts or omissions. Vendor shall either return to RingCentral or – using industry-standard secure data destruction methods – destroy and purge from all systems, media, applications, etc. any and all Information within ten (10) days of the earlier of: (aa) the end of Vendor’s need to possess the Information to perform under this Agreement or a SOW; (bb) RingCentral’s request; or (cc) expiration or termination of this Agreement. Upon such return or destruction, Vendor shall provide to RingCentral a certification of such complete return or destruction signed by a duly authorized representative of Vendor.

7.3 Legal Compliance. Vendor shall comply with all applicable Laws in its disclosure of, granting of access to, use of, accessing of, and/or possession of the Information. Vendor shall not disclose, grant access to, or use the Information in any manner that would cause RingCentral or its Affiliates to violate any Law.

7.4 Confidentiality of Work Product. In addition to the other restrictions set forth in this Section 7 or under any separate agreement between the Parties, Vendor shall not disclose to any third party, including but not limited to any Subcontractor, without the prior written consent of RingCentral, any of: (a) the Deliverables, (b) Vendor's works of authorship, discoveries, inventions, or innovations resulting from performance of the Services; (c) any work in progress or Deliverables created, issued, or delivered to RingCentral under any SOW; or (d) any proposals, research, records, reports, recommendations, manuals, training materials, findings, evaluations, forms, reviews, information, data, computer programs, or software originated or prepared by Vendor for or in the performance of the Services (the items listed in clauses (a), (b) (c) and (d) being hereinafter referred to collectively and severally as "**Work Product**").

7.5 Publicity. Without the express prior written consent of RingCentral Corporate Communications, Vendor shall not make use of any RingCentral trademark, trade name, or logo, or publicize or disclose the existence or terms of this Agreement to any third party (other than its accountants and attorneys) by any method including but not limited to any news release, advertisement, publicity or promotional material, except as required by law or a valid court order. If RingCentral authorized use of RingCentral names or other intellectual property, Vendor will at all times abide by RingCentral's then-current guidelines regarding use of its trademarks, trade names, service marks and/or other intellectual property ("Branding Guidelines") which can be found at https://partners.ringcentral.com/content/PublicFile/RingCentral_Co-Branding_Guidelines.pdf https://www.ringcentral.com/company/brandlibrary.html, which may be updated by RingCentral from time to time. Suppler shall immediately cease using any RingCentral trade mark, trade name, service mark, or other intellectual property immediately or upon termination or expiration of this Agreement.

7.6 Safeguarding of Information. Vendor shall protect Information using industry-standard safeguards and shall use at least as great a standard of care in protecting Information as it uses to protect its own data of like character, but in no event less than a reasonable degree of care. Vendor agrees that such safeguards shall include its implementation of a comprehensive information security and privacy program sufficient to ensure compliance with this Section 7 and training, on at least an annual basis, of all Vendor workforce members who might receive or gain access to Information covering such program.

EXCEPT FOR VENDOR'S OBLIGATIONS UNDER SECTIONS 6 (CUSTOMER CPNI AND CUSTOMER COMMUNICATIONS), 7 (CONFIDENTIALITY AND SECURITY), 8 (PROPRIETARY RIGHTS) 9 (REPRESENTATIONS, WARRANTIES AND CONDITIONS), AND 10 (INDEMNIFICATION), NEITHER PARTY SHALL BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, EXEMPLARY OR CONSEQUENTIAL DAMAGES ARISING OUT OF THIS AGREEMENT OR ANY RESULTING OBLIGATIONS, WHETHER IN AN ACTION FOR OR ARISING OUT OF BREACH OF CONTRACT, TORT OR ANY OTHER CAUSE OF ACTION, AND EVEN IF INFORMED OF THE POSSIBILITY OF SUCH DAMAGES. RINGCENTRAL'S TOTAL LIABILITY (ARISING OUT OF ANY SINGLE EVENT OR IN THE AGGREGATE), ARISING OUT OF OR RELATED TO THIS AGREEMENT OR ANY SOW(S) SHALL BE LIMITED AND CAPPED IN ITS ENTIRETY TO THE AMOUNTS INCURRED UNDER THE PARTICULAR SOW UNDER WHICH THE LIABILITY AT ISSUE AROSE. EACH PARTY AGREES THAT THESE LIMITATIONS SHALL APPLY REGARDLESS OF WHETHER EITHER PARTY HAS BEEN INFORMED IN ADVANCE OF THE POSSIBILITY OF SUCH DAMAGES OR SUCH DAMAGES COULD HAVE BEEN REASONABLY FORESEEN BY EITHER PARTY AND NOTWITHSTANDING THE FAILURE OF AN ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

10.1 Vendor will, at its sole expense, indemnify, defend and hold RingCentral, the Affiliates, and each of their respective directors, officers, employees, agents, and affiliates (collectively, "Indemnified RingCentral Parties") harmless from and against any and all claims, suits, actions, damages, settlements, losses, liabilities, penalties, fines, investigations, costs and expenses, including without limitation, reasonable attorneys' fees and any costs of remediation, reporting, or notification arising out of any Security Incident, arising out of or in connection with:

10.1.1 facts, or alleged facts which, if proven, would constitute a breach by Vendor of any of the representations, warranties or covenants herein;

10.1.2 any other breach by Vendor or any of its personnel of any of Vendor's obligations under this Agreement;

10.1.3 the negligence or intentional misconduct of Vendor or any of its personnel;

10.1.4 any obligation of the Vendor to provide workers' compensation benefits, employers' liability, or similar benefits;

10.1.5 any and all obligations imposed upon RingCentral or any of RingCentral Affiliates resulting from Vendor or any of its personnel being determined not to be an independent contractor or being determined to be a co-employer, joint employer or employee of RingCentral or any Affiliate;

10.1.6 to the extent Product(s) are provided and an OEM provides Vendor with an indemnity based on the infringement, misappropriation, or other violation of any intellectual property rights of a third party by any such OEM's Products, and provided OEM has agreed in writing that such indemnity may be made available by Vendor to its customers, Vendor will extend to RingCentral the same terms under which such indemnity is provided from the OEM to the Vendor. Such indemnity terms will be added to this Agreement via amendment if they are not already included on the Effective Date, however adding the indemnity terms to this Agreement via amendment will not be considered a condition precedent required in order for RingCentral to have the benefit of the indemnity. In the case of an infringement claim, the obligation to indemnify and defend shall be fulfilled by either Vendor or the OEM, as determined by the OEM's agreement with Vendor;

10.1.7 the violation, infringement or misappropriation of any third-party intellectual property right by any of the: (a) Services, (b) Pre-Existing Intellectual Property licensed to RingCentral under this Agreement, or (c) Work Product or deliverable; provided however, that this obligation will not extend to infringements, violations or misappropriations of third-party rights caused by RingCentral's modification of any Pre-Existing Intellectual Property, Work Product or deliverable following delivery to RingCentral, unless such modification is performed by, authorized by, or at the request of Vendor or any of its personnel; and

10.1.8 any third-party claim with respect to bodily injury, death or damage to tangible property sustained as a result of the Services or Deliverables.

10.2 Procedures for Claims. RingCentral will provide Vendor with the following in connection with any claim, suit or action for which RingCentral or any Indemnified RingCentral Party seeks defense or indemnity from Vendor under Section 10.1: (a) prompt written notice of such claim, suit or action; (b) sole control over the defense and settlement of such claim, suit or action,

subject to the provisions of this Section; and (c) reasonable cooperation and assistance in connection with the defense and settlement of such claim, suit or action. RingCentral's failure to comply with its obligations under the preceding sentence will not relieve Vendor of its defense and indemnity obligations under this Agreement except to the extent that Vendor is prejudiced by such failure. RingCentral may approve or reject any counsel proposed or selected by Vendor in connection with the defense or settlement of any such claim, suit or action. RingCentral shall have the right to participate at its own expense in the defense of such claim or action, including any related settlement negotiations. No such claim or action shall be settled or compromised without RingCentral's express written consent, which consent may be withheld or conditioned by RingCentral at its sole discretion, including requiring the execution of a full and complete release of all claims and actions made against the Indemnified Parties by each party bringing any such claims or actions. RingCentral shall have the right to withhold from any payments due to Vendor the amount of RingCentral's actual and projected costs of defending or settling any such claim or action, plus any other reasonable additional amounts, as security for the performance by Vendor of its obligations under this Section 10.

10.3 Substitution of Non-Infringing Items. In the event that any of the Pre-Existing Intellectual Property licensed to RingCentral under this Agreement, any of the Work Product, any of the Services or any deliverable provided by or on behalf of Vendor is found to infringe, violate or misappropriate any third-party right, or is likely to do so in RingCentral's opinion, then Vendor will promptly, at its sole expense, either: (a) secure for RingCentral the rights to continue using such infringing Pre-Existing Intellectual Property, Work Product, Services or Deliverables; (b) replace such item with a functionally equivalent item that does not infringe, violate or misappropriate any third-party right; or (c) modify such item so as to cause it not to violate, infringe or misappropriate any third-party right, but without reducing its functionality. If none of the foregoing options are commercially practicable, then in the case of Deliverables constituting goods, Vendor will refund the amounts paid by RingCentral for such items, as depreciated on a straight-line basis over a period of 60 months from the date of acceptance. The foregoing will be in addition to, and not in lieu of, any other rights and remedies that RingCentral may have under this Agreement, at law or in equity.

11. Insurance.

Vendor shall maintain at its sole expense during the term of this Agreement: (a) workers' compensation insurance as prescribed by the law of the state or nation in which the Services are performed; (b) employer's liability insurance with limits of at least $1,000,000 for each accident or disease; (c) automobile liability insurance if the use of motor vehicles is required, with limits of at least $1,000,000 combined single limit for bodily injury and property damage per occurrence for owns, non-owned, and hired vehicles; (d) if Vendor will have access to PII or Customer Data, cyber-liability insurance sufficient to cover any Security Incident with limits of at least $1,000,000 for each occurrence; (e) Commercial General Liability ("**CGL**") insurance, including Blanket

Contractual Liability and Broad Form Property Damage, with limits of at least $1,000,000 combined single limit for bodily injury and property damage per occurrence; $2,000,000 in the annual aggregate; and (f) in the event that Vendor's employee(s) or Subcontractor(s) are providing Services on RingCentral premises, a fidelity bond (which includes third party liability) insuring against the dishonest act(s) committed by its employees assigned to RingCentral's premises under this Agreement. Vendor shall maintain such fidelity bond in the amount of not less than $1,000,000 and shall include RingCentral, Inc. as a joint loss payee. Vendor shall have all CGL and automobile liability insurance policies endorsed to include RingCentral, Inc. as an additional insured. All insurance as listed above shall be primary with respect to Vendor's activities and RingCentral's insurance policies will be non-contributing. Such policies shall contain a provision waiving the insurer's right of subrogation against RingCentral. Upon request, Vendor will furnish RingCentral with certificates of insurance which evidence the minimum levels of insurance set forth above. RingCentral shall be notified in writing at least thirty (30) days prior to cancellation of or any change affecting the required coverage and/or limits in the policy. Insurance companies providing coverage under this Agreement must be rated by A-M Best with at least an A- VII rating and be authorized to provide iunsurance in the state or nation in which the Services are performed. Any deductibles or self-insured retentions are the responsibility of the Vendor. Vendor is responsible for insuring their own property and equipment utilized in the performance of the Agreement.

12. Relationship of the Parties.

The Parties expressly intend and agree that: (a) Vendor is acting as an independent contractor and not as an agent, joint venturer, employee, or partner of RingCentral and nothing in this Agreement or any SOW shall create or be deemed to create any such relationship; (b) neither Party shall have or obtain the authority or right, whether express, implied, or otherwise, to assume or create any obligation, liability, commitment, or responsibility, express or implied, on behalf of, or in the name of, the other Party or to bind such other Party in any way; and (c) nothing in this Agreement or any SOW shall be construed as engaging or appointing Vendor as the sole provider of the Services or any other services or functions to RingCentral or restricting RingCentral from engaging other persons or entities to provide – or itself providing – the same or similar services or functions the Services or any other services or functions. Vendor understands and agrees that it shall not be entitled to any of the rights and privileges established for RingCentral's employees, including but not limited to medical, life insurance or disability coverage and paid vacation or sick pay. Vendor understands and agrees that RingCentral shall not pay or withhold from the compensation paid to Vendor any sums customarily paid or withheld for or on behalf of employees for income tax, unemployment insurance, social security, workers compensation, or any other payroll or similar employment withholding tax, insurance or payment, and all such payments as may be required by Law are the sole responsibility of Vendor. Vendor understands and agrees that RingCentral shall, when required, issue Vendor a Form 1099. Vendor shall be solely responsible for all tax returns and payments required to be filed with or

made to any federal, state or local tax authority with respect to Vendor's performance of the Services and receipt of fees under this Agreement. RingCentral shall have no responsibility for any of Vendor's debts, liabilities or other obligations or for the intentional, reckless or negligent acts or omissions of Vendor or Vendor's employees, agents, or Subcontractors.

13. Term and Termination

13.1 Initial Term. This Agreement shall become effective on the Effective Date and shall remain in effect until terminated in accordance with this Section 13.

13.2 Termination for Convenience. RingCentral may terminate this Agreement, or any SOW, at any time, with or without cause, effective immediately upon written notice to Vendor. Termination of this Agreement shall automatically terminate all SOWs. Termination of a SOW shall be effective only for the applicable SOW and shall not result in the termination of this Agreement.

13.3 Termination for Cause. Vendor may terminate this Agreement if RingCentral breaches any material term or condition of this Agreement and fails to cure such breach within thirty (30) days after receipt of written notice specifying the nature of the breach.

13.4 Consequences of Termination; Return of RingCentral Property. Services to be performed pursuant to this Agreement shall cease immediately upon any termination of this Agreement. Upon expiration or termination of this Agreement or any SOW issued against it, if applicable, for any reason, Vendor shall within fourteen (14) days: (a) return to RingCentral all equipment and (b) either return all Work Product, and all copies thereof made by Vendor or at RingCentral's written direction certify destruction of the same. RingCentral's sole obligation shall be to pay Vendor in accordance with Section 2 (Compensation) the compensation due for Services completed before such expiration or termination.

13.5 Survival. Those provisions, which by their nature are intended to survive the termination or expiration of this Agreement (including without limitation all limitations of liability, Vendor's indemnification obligations, and Vendor's obligations under Sections 6 and 7) , shall survive the termination or expiration of this Agreement.

14. Use of RINGCENTRAL Property.

Should RingCentral permit Vendor to use any of RingCentral's equipment, tools, or facilities during the term of this Agreement, Vendor shall be responsible for any injury to any person (including death) or damage to property (including RingCentral's) arising out of use of such equipment, tools or facilities whether or not such claim is based upon its condition or on the alleged negligence of RingCentral in permitting its use. Vendor shall take all necessary precautions to prevent injury to any persons (including employees of RingCentral) or damage to property (including RingCentral's property) during the term of this Agreement. Unless already so

marked by RingCentral, Vendor shall identify and conspicuously mark all RingCentral property as belonging to RingCentral and, upon request, shall promptly furnish RingCentral with a list of all RingCentral property being held by Vendor. The value of the loan for RingCentral's equipment, tools, or facilities has been considered in the establishment of the fees. Vendor agrees that Vendor shall abide by all information security requirements of RingCentral, as notified to RingCentral at the time of this Agreement or thereafter; use RingCentral laptop solely for the Services and not for any other purpose; return RingCentral's equipment, tools, or facilities no later than the conclusion of this Agreement or upon request of RingCentral, whichever is sooner; and take reasonable care to protect and maintain the laptop.

15. Records and Tax Information.

During the term of this Agreement and for two (2) years thereafter, Vendor shall maintain detailed and accurate records with respect to Vendor's performance of the Services, shall maintain such records in the manner required by applicable law and shall make such records available to RingCentral upon RingCentral's request.

16. Order of Precedence.

Except as specifically provided otherwise in this Agreement, in the event of any conflict between this Agreement, and the other documents referenced herein, the following order of precedence shall be controlling: (a) this Agreement, (b) any exhibit hereto ("Exhibit(s)"), (c) any non-disclosure agreement between the Parties, (d) SOW, and (e) any RingCentral purchase order.

17. Taxes

17.1 Unless otherwise set forth in a SOW, all fees and other charges will be deemed to be inclusive of all sales, use, value-added, income, gross-receipts and other taxes, as well as all duties, excises, levies, assessments, and all shipping, freight, lading and transportation. Vendor will be responsible for and pay all taxes and shipping and transportation charges, however designated, which are levied or based on this Agreement. In the event that the Parties agree in a SOW that RingCentral will pay any applicable tax, shipping or transportation charges, Vendor will break out such charges on a line-item basis. RingCentral will have the right to require Vendor to contest within any imposing jurisdiction, at RingCentral's reasonable expense, any taxes or assessments that RingCentral deems to have been improperly imposed on RingCentral.

17.2 Notwithstanding the foregoing, if RingCentral is required by applicable Law to withhold taxes from any payment due Vendor, then the amount due to Vendor in respect to such payment shall be reduced by the amount of such withholding; then RingCentral will deliver to Vendor a tax withholding certificate or similar documentation reasonably satisfactory to Vendor evidencing payment of any such withholding. Upon receipt by Vendor of the tax withholding certificate, the portion of the invoice represented by the tax withholding certificate will be deemed fully paid.

17.3 If Vendor is a U.S. person or entity, to the extent any taxes are required by Law to be collected by Vendor, such taxes shall be separately itemized on the invoices to which they apply.

Vendor acknowledges and agrees that federal and California withholding tax will apply to the total cost of Services performed in the United States and California and may apply to other amounts payable by RingCentral under this Agreement and RingCentral may withhold such taxes from payments due Vendor, unless Vendor provides proper certification that Vendor is exempt from federal backup withholding and California withholding (e.g. Form W-9 and California form 590). Upon execution of this Agreement and as requested by RingCentral from time to time; Vendor will provide RingCentral: (A) a copy of Vendor's W-9 "Request for Taxpayer Identification Number and Certification" form; (B) California Form 587 "Nonresident Withholding Allocation Worksheet"; and (C) any and all documentation required to certify that Vendor is a US person or entity, the tax payer identification provided is correct and that Vendor is not subject to backup withholding.

17.4 If Vendor is a non-U.S. person or entity, Vendor shall provide to RingCentral all documentation (including, without limitation, the necessary withholding application, form, or residency certificate) required for the application of any applicable Double Taxation Agreement. Such documentation shall be delivered promptly after RingCentral's request and it shall be true, correct and complete as of the date of the delivery. If valid documentation is not provided, the federal statutory withholding rate will be applied instead of the withholding rate provided by the applicable Double Taxation Agreement. Vendor acknowledges that California withholding will apply to Services performed in the State of California unless Vendor provides proper certification that it is exempt from California withholding (e.g., Form 590).

18. Work Authorization.

Vendor represents that, prior to commencing performance, it has verified employment authorization for each Vendor employee who will be providing services to RingCentral. In the case of foreign nationals needing sponsored work authorization, Vendor shall obtain and shall ensure proper work authorization remains in force for all Vendor employees who are providing services to RingCentral.

19.3 Injunctive Relief. Vendor acknowledges that any breach of Sections 6, 7 or 8 of this Agreement by Vendor would cause irreparable damage to RingCentral for which monetary damages would be inadequate. Accordingly, Vendor agrees that injunctive relief is an appropriate remedy for any such breach, in addition to all other remedies RingCentral may have.

19.4 Governing Law and Venue. All matters arising in connection with or relating to this Agreement or the enforcement or construction thereof shall be governed by and resolved in accordance with the laws of the state or country identified below without regard to any conflict of law principles that would result in the application of the laws of a different jurisdiction. If any provision of this Agreement is held to be illegal, unenforceable or invalid by any court of competent jurisdiction, the remaining provisions hereof shall remain in full force and effect. The failure or delay of either Party to enforce at any time any provision of this Agreement shall not constitute a waiver of such Party's right thereafter to enforce each and every provision of this Agreement.

19.7 Headings. The section headings appearing in this Agreement are inserted only as a matter of convenience and in no way define, limit, construe, or describe the scope or extent of such section or in any way affect this Agreement.

19.8 Entire Agreement; Modification. This Agreement, together with the attached Exhibits, any non-disclosure agreement, and any SOW, constitutes the entire agreement between the Parties and, except for any Developer Agreement, supersedes all prior oral or written negotiations and agreements between the Parties with respect to the subject matter hereof. Any preprinted or other standard terms set forth on any Vendor order acknowledgment or other form will be deemed void and of no force or effect, irrespective of whether such form is countersigned by a representative of RingCentral. Subject to the foregoing, no modification or amendment of this Agreement (including any exhibit hereto) shall be effective unless in writing signed by both Parties.

19.9 Force Majeure. A party shall not be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement to the extent such failure or delay is caused by or results from acts of God; flood, fire or explosion; war, invasion, riot or other civil unrest; actions, embargoes or blockades in effect on or after the date of this Agreement; national or regional emergency; strikes, labor stoppages or slowdowns or other industrial disturbances; compliance with any law or governmental order, rule, regulation or direction, or any action taken by a governmental or public authority, including but not limited to imposing an embargo, export or import restriction, quota or other restriction or prohibition, or failing to grant a necessary license or consent; shortage of adequate power or telecommunications or transportation facilities; or any other event which is beyond the reasonable control of such party (each of the foregoing, a "Force Majeure Event"). A party whose performance is affected by a Force Majeure Event shall

give notice to the other party, stating the period of time the occurrence is expected to continue and shall use diligent efforts to end the failure or delay and minimize the effects of such Force Majeure Event. During the Force Majeure Event, the non-affected party may similarly suspend its performance obligations until such time as the affected party resumes performance. RingCentral may terminate this Agreement and/or any affected Statement of Work if such failure or delay continues for a period of thirty (30) days or more.

19.10 Counterparts; Facsimile. This Agreement may be executed in two or more identical counterparts, each of which shall be deemed to be an original and all of which taken together shall be deemed to constitute this Agreement when a duly authorized representative of each Party has signed a counterpart. The Parties may sign and deliver this Agreement electronically. Each party agrees that the electronic signatures, whether digital or encrypted, of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Delivery of a copy of this Agreement or any other document contemplated hereby, bearing an original manual or electronic signature by facsimile transmission (including a facsimile delivered via the Internet), by electronic mail in “portable document format” (“PDF”) or similar format intended to preserve the original graphic and pictorial appearance of a document, or through the use of electronic signature software will have the same effect as physical delivery of the paper document bearing an original signature.
